

David Was Called As King Bible Craft

Bible Story: David Was Called As King

Bible Text: 1 Samuel 16:1-13

Suggested Learning Outcome: This fun craft will help remind children that God looks on the inside to see our heart, not just the outside appearance.

Supplies List:

- Cardstock body cutout (1 per child)
- Crayons
- Purple felt
- Brown felt or brown burlap
- Yellow construction paper
- Craft sequins
- Yarn
- School glue

Teacher Preparation:

Draw and pre-cut a cardstock body and then pre-cut a rough shepherd's tunic from brown burlap, a soft king's robe from purple felt, and a yellow crown from yellow construction paper. You will need one set of these shapes per child.

Instructions:

Step 1. Remind children that when Samuel first anointed David as king, David was still a shepherd boy. Using the brown burlap, guide kids in decorating one side of the body like a shepherd boy. Give students a length of yarn and instruct them to cut it into small pieces to glue on as hair.

Step 2. Remind kids that God chose David because he had a heart that pleased God, not because he looked good. Explain that God also saw not just what David was as a shepherd boy, but what David could become as a great king. Instruct students to flip David over decorate the other side as David the King using the purple robe and adding a crown.
