

2018 ADVENT FAIR CRAFT

Nativity Doorknob Hanger

Your students will enjoy seeing their Nativity Doorknob Hangers displayed on their (bedroom) doors at home during Advent. They will serve as a reminder that we are observing Advent for the next 50 days until Armenian Christmas, January 6.

Advent is about reflection and self-examination in preparation for Christmas. If time allows, have students make a second Nativity Doorknob Hanger to give to someone special and share the message of Advent.
