

Exalt Him!

As you know, Jesus had 12 disciples. One of those disciples betrayed Jesus, which led to His death on the cross — but also to His resurrection! After Jesus returned to heaven, the 11 disciples prayed for God's guidance and chose a new disciple to replace the one who betrayed Jesus.

Unscramble the names of the 12 original disciples, *plus* the name of the “new” disciple. After you unscramble the names, unscramble the circled letters to spell a three-word phrase that tells us something that Christians should do. (Note: If you need help with the names, you can find them in Mark 3:13–19 and in Acts 1:23–26.)
